

# Apex™

## Change Made Easy™

Change can be disruptive, especially in environments where personal safety and contamination control are essential. That's why we developed The Apex™ Program, a consultative approach that ensures a seamless transition to the Kimtech™ Brand of products.

Based on over 60 years of global industry expertise in delivering innovative solutions for critical environments, Apex™ protects the process while enhancing efficiency and performance.

## The Approach

### Assessment

- Processes
- Equipment
- Chemicals and hazards
- Pain points
- Sustainability goals

### Preparation

- Stakeholder management
- Success criteria
- Qualification documentation
- SOP updates
- Product forecasting

### Implementation

- Customized training
- Kimtech™ gowning qualification
- Visual management
- Training posters / materials

### Results

- Post-Apex™ satisfaction survey
- Confirm success metrics
- Observation reports
- Train-the-trainer support
- Refresh training
- Continued support

## Proven Results\*

- › 97% of the operators were confident in proper donning & doffing of Kimtech™ PPE
- › 94% passed the donning qualification test faster
- › 97% were satisfied or extremely satisfied with Kimtech™ PPE
- › 100% of the managers said they would recommend The Apex™ Program to a colleague

\*Results from implementation of Kimtech™ PPE in a cleanroom facility on June 7, 2022. Your results may vary.

## Change Made Easy™

- › Confidence in proper donning
- › Increased satisfaction
- › Improved compliance
- › Minimal disruption
