Custom Logo

PIP offers custom labeling on many products at no additional cost when certain order quantities are met.

About

PIP offers custom branding or co-branding on many product lines, including gloves, hard hats, protective clothing, safety eyewear, and more. Minimum order quantities must be met and depend on the product type selected.

We can create these customized items in the United States at our New York facility, helping to ensure a quicker turnaround and easier setup.

Key Benefits

Want to set your PPE apart from the rest? And easily identify products belonging to your organization? Custom branding lets you do this and more.

- Promote your company or brand
- Easily identify your products
- Cut down on loss
- Increase brand visibility
